- **Made to Order:** 100% Custom Made In the USA with Adjustable Slipover Shoulder with Internal Front & External Back Velcro® Wrap-Around Side Closure Design to Ensure Best Fit & Comfort.**
- **Constructed of Rugged 500 Denier Black Cordura® Nylon (Machine Washable).**
- **Sewn-In Multi-Pouch Design:** Includes (2) Large Front Utility Pouches, (1) Medium Front Utility Pouch, (1) Small Front Utility, and (1) Upper Back Shoulder Universal Radio Pouch
- **Removable ID Panels:** Each LBV ordered is delivered with (2) Removable 3.0 X 9.0" Front & Back "NEGOTIATOR" ID Panels in white lettering on a black panel background.

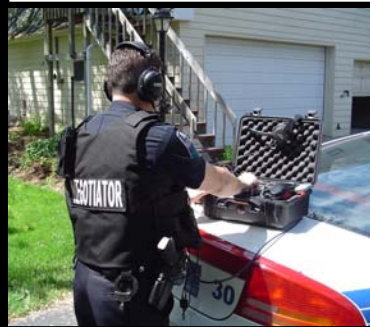

**The NEGOTIATOR LBV is also designed to be able to transform a concealable vest into a "tactical" vest. Existing concealable ballistic panels from ANY manufacturer can be removed from their concealable carrier and inserted into the NEGOTIATOR LBV's internal front and back ballistic panel pockets.

IMPORTANT NOTE: If the *NEGOTIATOR LBV* is to be used to transform a concealable vest into a "tactical" vest, client **MUST** provide front and back panel tracings to ensure that the *LBV* is manufactured so that each panel fits properly and tightly inside the ballistic panel pockets. Each panel tracing should be labeled as "front" or "back" and list the officer's name for identification purposes.

If you are seeking new ballistic protection, ETGI offers multiple, competitively priced, NIJ certified Level II and Level IIIA ballistic panels and related carrier options. For additional information/pricing, please email info@etgi.us or contact us directly at 800-873-2872.

**IMPORTANT NOTE:

Based on the "Generic Measurement Sizing Reference Charts" listed above, the Chest/Waist Sizes of a Male or Female that Falls into the XXL & XXXL Column are Subject to an Additional Oversize Fee.

XXL Size "NEGOTIATOR" Load Bearing Vests are Subject to a **15.0%** Oversize Fee.

XXXL Size "NEGOTIATOR" Load Bearing Vests are Subject to a **25.0%** Oversize Fee.

If a 4-pack special is ordered, the Oversize Fee for each oversized vest order is calculated by package price/vest (\$188.75) X the respective oversize fee (either 15.0% or 25.0%).

If a 8-pack special is ordered, the Oversize Fee for each oversized vest order is calculated by package price/vest (\$174.75) X the respective oversize fee (either 15.0% or 25.0%).

A "NEGOTIATOR LOAD BEARING VEST" MEASUREMENT FORM MUST BE FULLY COMPLETED AND REMITTED FOR EACH VEST ORDERED. IF THE "NEGOTIATOR" LBV IS TO BE USED TO TRANSFORM A CONCEALABLE VEST INTO A "TACTICAL" VEST, CLIENT MUST ALSO PROVIDE FRONT AND BACK PANEL TRACINGS TO ENSURE THAT THE VEST IS MANUFACTURED SO THAT EACH PANEL FITS PROPERLY AND TIGHTLY INSIDE THE BALLISTIC PANEL POCKETS. EACH PANEL TRACING SHOULD BE LABELED AS "FRONT" OR "BACK" AND LIST THE OFFICER'S NAME FOR IDENTIFICATION PURPOSES.
