

MILIPOL 2011 + 2013 EDITIONS

BOOTH GSSI

(Business Partner of CSI-EXPERTISE)

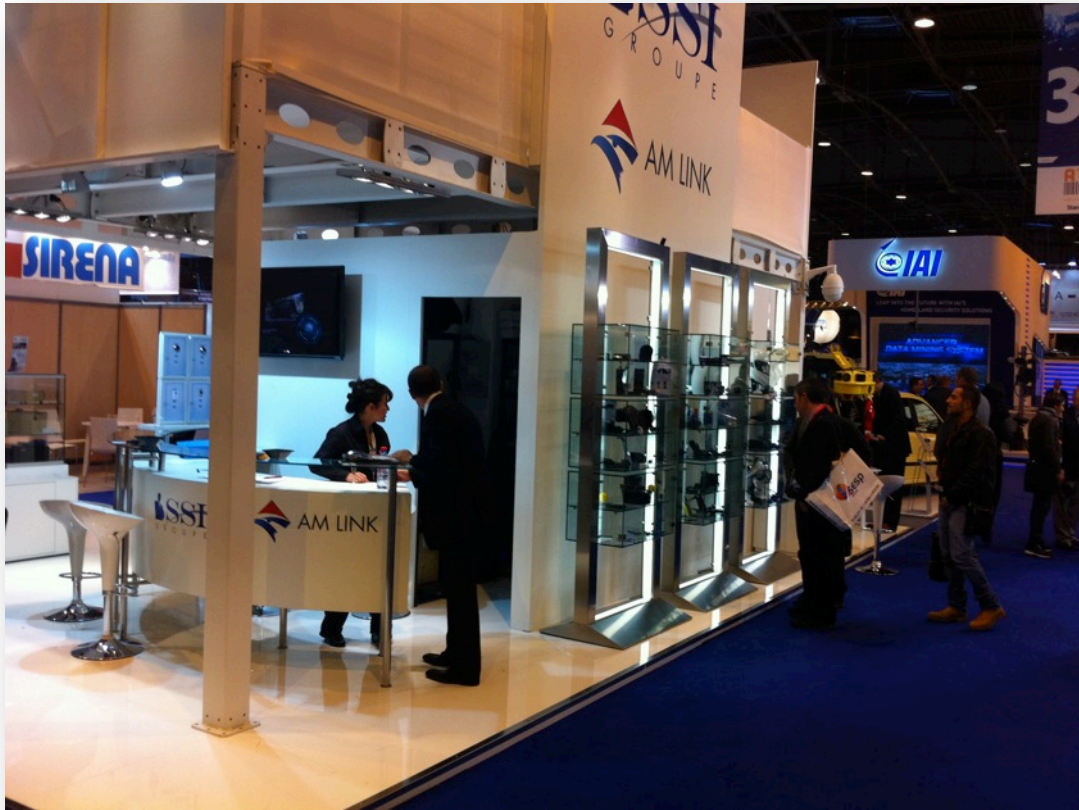

COUNTER TERRORISM / IMSI CATCHER AND LOCATING

MILIPOL 2011 EDITION

SURVEILLANCE or AUDIO-VIDEO INTERCEPTION VEHICLES

LONG RANGE SURVEILLANCE SYSTEM & OPTICAL DEVICES +
INTERROGATION EQUIPMENT + COMMUNICATION

NOTE:

2013 Booth will be the same size and design (with two storise) but with more specific divisions in order to create an inter-action between solutions and complementary equipments.

On this two stories booth the main solutions will be featured on the 1st floor and the counter-espionage/terrorism solutions will be on the 2nd floor (we are actually finalizing the blue print).
