Sheriff Richard Artison
Milwaukee County Sheriff's Department
821 West State Street
Milwaukee, Wisconsin 53201

Dear Sheriff Artison:

On behalf of the Milwaukee Police Department, may I express my sincere appreciation for the recent efforts extended by Sergeant David Czesyz of your Department. Sergeant Czesyz worked closely with members of the Special Investigation Unit of the Vice Control Division during several highly sensitive investigations.

I would especially like to thank Sergeant Czesyz for his technical assistance in these investigations. The very nature of these investigations required not only an investigative ability, but a willingness to sacrifice personal needs that exceed normal demands of the service. Sergeant Czesyz far surpassed these expectations and he performed in a highly effective and professional manner.

Sergeant Czesyz's efforts clearly demonstrated the cooperative nature necessary for today's effective, coordinated law enforcement effort. His exemplary behavior represented you and your fine Department well.

Please convey my personal appreciation to Sergeant Czesyz.

Sincerely,

ROBERT J. ZIARNIK
