Mr. Richard E. Artison
Sheriff
Milwaukee County
821 West State Street
Milwaukee, Wisconsin 53233

26 MAR 1984

Dear Sheriff Artison:

I would like to take this opportunity to express our gratitude for the excellent cooperation we received from Inspector Ronald Bollhofer and from the members of your Drug Enforcement Unit, including Sergeant George Parras and Detectives David Czynsz, Alton Porter, and Michael Lamont of your Department with regard to one of our investigations.

Through this cooperation, the San Francisco Office of the Federal Bureau of Investigation was able to execute seven search warrants in the Brisbane and San Francisco, California areas relative to their investigation of the subject of a cocaine trafficking investigation.

I feel that the success of this investigation was due in a large part to the special efforts of Inspector Bollhofer, Sergeant Parras, and Detectives Czynsz, Porter and Lamont, in overcoming the unusual logistical problems and personal sacrifices imposed upon them by this investigation. The exemplary manner in which this delicate part of the investigation was handled is a tribute to you and these members of your Department, and epitomizes the spirit of cooperation necessary for effective law enforcement. I trust these feelings will be conveyed to Inspector Bollhofer, Sergeant Parras, and Detectives Czynsz, Porter and Lamont.

Very truly yours,

H. Ernest Woodby
