

THE SHOCKKNIFE® StressBlade™

The only training
knife in the
world capable
of inducing
FEAR!

Designed as an entry level trainer, the Shockknife® StressBlade™ allows instructors the ability to add acute stress to their edged weapon training in the most affordable way possible.

Using a standard 9 volt battery, the Shockknife® StressBlade™ delivers a constant shock level of 7,500 volts with a safety factor of less than one milliamp. With only one setting, the Shockknife® StressBlade™ is perfect for use in high stress scenarios.

At nearly half the cost of the professional Shockknife® SK-2 version, the Shockknife® StressBlade™ affordability puts power Shockknife® technology within your reach!
